

Kampala, Uganda December 2010

On this trip to Kampala, the New Beginnings team shared in a four day Pastors' Conference teaching, training, preaching and encouraging about 1,500 - 2,000 pastors. While ministering during the Wednesday night closing session, Pastor Jamie lead out in healing prayer and hundreds raised their hands proclaiming that they received healing. He then had 25 people come forward to give testimony to their healing. Later on after preaching the Word, the altar call was given for the Baptism in the Holy Spirit and about 150 ministers responded. During that prayer time, over one hundred received the Baptism in the Holy Spirit. The team also visited two rural Christian schools and handed out around 400 Beanie Baby toys as gifts, all donated to NBIM and Plymouth Assembly of God by individuals who heard about this ministry to the children. On the last Sunday, Jamie and Pastor Kevin, Pastor of Plymouth A/G, preached services for two rural churches, where 15 received Jesus as Lord, 50 received the Baptism in the Holy Spirit and numerous people received healing in their bodies ~ Jesus is Awesome!

Mark 16:15-18: *“Go into all the world and preach the good news to all creation. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned. And these signs will accompany those who believe: In my name they will drive out demons; they will speak in new tongues; they will pick up snakes with their hands; and when they drink deadly poison, it will not hurt them at all; they will place their hands on sick people and they will get well.”* NIV

2010: To God the Glory, Great things He has done!

In 2010, through this ministry, made possible because of the prayer and financial support of those who gave and prayed for New Beginnings, we were able to see over 4,000 people receive salvation in Africa, India and here in the United States. Hundreds of healing testimonies were received, hundreds were baptized in the Holy Spirit, over 2,000 ministers received training, 4,000 children reached through a children's Gospel crusade, which NBIM supports in India, and over 400 children blessed by a simple toy and candy. God is on the move and we are expecting even greater things in 2011 for NBIM as we continue to move on into the areas of ministry God has planned and is preparing for us. To everyone who helped make this possible THANK YOU!

Isaiah 43:19 - *“See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland.”*

~ 2011 ~

Sharing the Vision...The Number eleven in the bible is the number for paradigm shifts and is a transitional number that signifies when power changes hands. During my personal prayer time and contemplating the number eleven and direction for NBIM, the Lord prompted upon my spirit that this time is a pivotal time for God's children: personally, family, ministry, occupation...literally touching all areas of the believer's life. The Lord showed me in the spirit a man standing in the area of choice in his mind, with two pictures showing his destiny. One picture was showing him all the promises of God for his life, the other was a picture of the man with great fear filling his mind and paralyzing him from moving. This year we have a choice before us. The choice to either position ourselves for God to use us as believers or to stand back in fear and not venture out into our destiny. An old saying comes to mind that describes this vision well "Nothing ventured, nothing gained". I encourage all of us, let us shift and move into God's promises this year. For NBIM, I want to share briefly with you what will be coming to you in the mail over the next few weeks. Our long-term vision for NBIM is to establish a ministry base in East Africa so that we can effectively reach the nations of Uganda, Tanzania, Rwanda, Burundi, Kenya, Congo, and Southern Sudan. This year the Lord prompted us to prioritize three focal points to assist in our long-term vision. **1.** We are to begin obtaining the equipment needed to hold open-air crusades, where before we rented and "made do" with make-shift construction. **2.** Begin supporting on a full-time basis orphans who need fed and put through school. **3.** Walk in a deeper relationship with God - to move from information to revelation, from revelation to impartation. Please pray with us and begin to ask yourself how you may be able to partner with us in reaching the lost. Blessings! ~ Jamie
