**Nov. 29 - Dec. 10, 2009 - Mission trip to Kalasapadu & Porumamilla in Andrah Pradesh, India.**

Please be praying for Jamie, as he will be joining with Heart of the Father Ministries once again, helping to minister in a large festival in Kalasapadu on December 2 where the attendance is expected to be over 100,000. At this same meeting last year, 67,000 people were saved in one night. From there, the team will continue on to Porumamilla where they will hold 5 nights of festivals and teach in Pastors' schools during the day.

**Mark 16:15-18 - "Go into all the world and preach the good news to all creation. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned. And these signs will accompany those who believe: In my name they will drive out demons; they will speak in new tongues; they will pick up snakes with their hands; and when they drink deadly poison, it will not hurt them at all; they will place their hands on sick people and they will get well."** NIV

## God is Good!

Via planes, ships and automobiles, we travelled with a team lead by Dr. David Nichols of Heart of the Father Ministries to Bukoba, Tanzania and Kayonza, Rwanda from September 21 to October 7 to hold crusades and pastors' schools. The

presence of God was present in a mighty way in both places as many were saved, healed, and delivered. We held five nights of crusade in both places and through those ten nights of meetings 4,087 people called upon the name of the Lord and asked Jesus to be their Savior. Jamie also had the opportunity to preach in an Anglican church in Rwanda where 30 people raised their hand for salvation. Praise God for more than 4100 new believers added to the Kingdom of God during the time spent in Africa! Many, many healings were testified to throughout the meetings. From blind eyes being restored, deaf ears being opened, tumors disappearing and the demonized being set free, God's healing power was at work. The largest night in Bukoba saw over 10,000 people in attendance.

In Rwanda, we battled the rain for the first few days, but through prayer and perseverance, God showed He was more powerful than any attack from Satan, and we were victorious and were able to hold crusade every night. Over two thousand people attended the crusades in Rwanda with 278 people responding to the salvation altar call. Hundreds also received a healing touch from the Lord. Continue to pray for Rwanda. Even though it has

been fifteen years since the Rwandan genocide, the effects of this horrific event can still be seen throughout the communities and in the lives of the people. It is hard to put into words the feelings that came over us as we looked out over the Rwandan countryside and into the eyes of the people. It took a few days to break through in the spirit, but as we persisted in prayer each day and the Lord began to move, the people began to respond more and more each night and become more and more opened to Spirit. Rwanda is a beautiful country filled with beautiful people who need to learn to trust once again and receive the Lord's love, grace and mercy.

***Following is a personal testimony we received and have been allowed to share with you:***

I go to Prairie Temple Assembly of God, and you prayed with me for my lil sister Sarah in 2008. She was diagnosed with moderate to almost severe autism. She was not able to understand emotional responses and when people would cry, she would laugh because she did not understand. We are continually praying for complete healing for her, because God can do anything. I just wanted to let you know that she was sitting with my mother at their Church, and my mom started drawing on a piece of paper for her. She usually hands my mom the piece of paper because she wants to watch her draw, and if my mom tries to give her the piece of paper, she always gives it back to my mom. Well a couple Sundays ago, she took the piece of paper out of my mom's hand and started writing something. She then handed the piece of paper back to my mom. It said "Give Love". This is such a complete miracle because before she was not able to speak or talk about emotions, let alone actually spontaneously write down something like this. She was not able to talk at all before, except for mimicking sounds. She is talking more and she said "I love you mommy" the other day all by herself. She also can mimic the words 'I am healed' and 'I love Jesus'. I believe someday she will be completely healed, and will be saying this and praising God. All of this is such a miracle and a message from God, and I just wanted to give other families struggling with Autism and let them know that just because medicine does not have a cure does not mean all is lost. Jesus is our cure.

God Bless,  
Ann
