Mark 16:15-18 - "Go into all the world and preach the good news to all creation. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned. And these signs will accompany those who believe: In my name they will drive out demons; they will speak in new tongues; they will pick up snakes with their hands; and when they drink deadly poison, it will not hurt them at all; they will place their hands on sick people and they will get well." NIV

IOWA

We had the opportunity to spend three days ministering to the congregation of Open Bible Fellowship in Ankeny, IA in October. Throughout the weekend, God's presence was evident and His healing power was bestowed onto many. As one woman received prayer for more of the Holy Spirit, she testified to feeling a warmth come over her face. A man testified to healing of back pain and a young boy was filled with the Holy Spirit and received healing from back pain that was caused by a fall. A woman also received the baptism of the Holy Spirit. God touched the hearing of a woman. Due to a calcium deposit, she had been having difficulty hearing out of her right ear. After receiving prayer, the sharpness in hearing returned to her ear and she was able to hear clearly once again. A woman with cysts in her upper right arm testified to the shrinkage of the cysts and her husband testified to pain and stiffness being relieved in his hand. We also saw several being ministered to emotionally through the power of the Holy Spirit and the love of the Father.

God has been doing many things this past year. You can visit our website at www.eightim.org and read more about how God has been ministering in the lives of people seeking a touch from the Father.

Commanding sickness and disease to go in the Name of Jesus at one of the crusade nights in Kampala, Uganda in November.

ILLINOIS

God did marvelous things at Woodstock Assembly in December. Several testified to receiving a healing touch after the prayer of healing was prayed over the congregation. One woman testified to the release of pain and tension in her neck. We heard a woman testify that the numbness in her feet was relieved. A mother, who had been in a car accident with her family, had been suffering from whiplash. She received prayer, all pain disappeared, and full mobility was restored to her neck. A man also testified to feeling the Lord's touch upon his arm. A woman suffering from severe pain due to Fibromyalgia, came forward to receive prayer. She was mightily touched by the power of God. Several also received a touch from the Lord in different areas of emotional and spiritual needs.

A few weeks after we held services at Woodstock AG, we heard testimony from the Pastor that Robin, the woman who was suffering from severe pain due to Fibromyalgia, had testified that she was still pain free. We give God the praise for that marvelous healing. Rachel also talked to Shelli, a young woman who had come forward for prayer for Scoliosis. She had an awesome testimony to share about the Lord's touch on

OHIO

Between November 28 and December 7, Jamie had the opportunity to minister with the Unity United Methodist Church in Toledo, Ohio and New Beginnings Assembly of God in Tiffin, Ohio. During this time, Jamie had the awesome opportunity to speak at a youth retreat for the Unity UMC youth. Out of the eleven youth who attended the

retreat, nine accepted Jesus as Lord and Savior. Praise God for the new beginning these youth now have in Christ Jesus. For the remaining time in Ohio, Jamie ministered to the congregation of Unity United Methodist Church during their morning service, with five adults responding to the altar call to receive Jesus as their Lord and Savior. He also had the opportunity to attend various prayer meetings held in the Toledo area, where many prophetic words were given to leaders about Toledo and surrounding areas. God is getting ready to do something great in "Holy Toledo".

The ministry time at New Beginnings AG in Tiffin, OH brought forth salvation and healing through the power and anointing of the Holy Spirit. A woman suffering from two years of wrist pain after having that wrist cracked, received her healing from that pain. She testified to all pain being gone and mobility being restored to the wrist. After receiving prayer, a man was relieved from all lower back pain and a woman had clarity restored to her vision. Her vision became clear enough that she was able to see words clearly from the Bible, where before the words were cloudy. We also want to give God praise for the salvation that occurred during the altar time this morning. Praise God that His Kingdom is growing!

her life. The following is what she shared with Rachel. Shelli said that after the first prayer was spoken over the congregation, she felt less pain in her body. At the end of service, she came forward to receive individual prayer for her scoliosis. Up until that time, she always leaned forward several inches when standing or walking, etc. She would also have severe pain when standing, sleeping on her back or riding in a car. Shelli would also experience pain when she tried to pick up her young children to hold them. The following week after receiving prayer, she began to notice changes in her body. Not only was she noticing the differences, but her friends, family and people she knew also began to notice that something was different about her. Shelli testified that she was no longer leaning forward as much as before and that her back was continuing to get straighter and stronger and that she was able to stand for extended periods of time, which she was unable to do before. She also testified that she is now able to sleep on her back, which she had not been able to do for 10 years. Shelli can now pick up her kids and also ride in a car without her legs going numb and with no pain. Her testimony has been a witness to many in the church, and in the community. Healing evangelism is a wonderful tool to reach people for Jesus!
