**Baylis Baptist Church - Baylis, IL**  
 God is a good God. We heard testimony from a woman suffering from constant pain and soreness on her kneecap that after prayer, all pain and soreness was gone. Also, a man who had recent eye surgery testified to less soreness and pain in his eyes. One individual testified to sinus pain and pressure being released. Another man, who had been in the service in August when we were ministering at Baylis, said he had received prayer for nasal polyps. He testified during this service that those nasal polyps were now gone. Amen!

# 2009: God's Power Revealed as we actively participated in seeing 35,500 salvations, thousands of healings and people being set free.

Yes! God's power was revealed in mighty and awesome ways this past year. As we zigzagged our way across the central part of the United States, God was faithful to touch many hearts and lives with His healing power. He touched those that needed healing in their bodies to those who needed a touch spiritually and emotionally. Marriages were restored, people were delivered from years of chronic pain, deaf ears opened, the barren conceived, lost souls were brought into the Kingdom, and so much more. From Illinois to Ohio to Minnesota, Iowa and Missouri, the presence of God was revealed and made evident to many. God is the master Creator, and He has not forgotten His workmanship. His love could be seen not only here in the United States, but also in Tanzania, Rwanda and India, as we traveled to these destinations partnering with Dr. David Nichols with Heart of the Father Ministries ([www.heartofthefather.net](http://www.heartofthefather.net)) to share God's love, grace and mercy to a people hungry for and in need of a touch from their Heavenly Father. We have included bits and pieces of God's powerful miracles from 2009 in this newsletter. As you read through the testimonies, please be encouraged in the Lord and know that He is also there with you, to give you strength, peace, guidance, help, breakthrough, freedom.... whatever your need may be, just call upon the name of the Lord and He will answer you.

## Harvest Family Worship Center, Staunton, IL....

*Pictured at right is a teenage girl who was deaf in her right ear. Over the years, she had been to doctors and had undergone seven different surgeries to try and correct the problem, but none of those surgeries worked.*

*After years of not being able to hear out of that ear, she came forward during our meeting in Staunton, IL to receive prayer. After a short time, her ear was opened and she was able to hear. Tears of joy began to flow in her parents as they saw what the Lord had done!*

*The woman at left had surgery on her right ankle, where a 4"- 6" pin had been placed. This caused her to not be able to move her ankle freely. After receiving prayer, she had full mobility in her ankle and was able to run around and stand on her right foot, something she had not been able to do earlier in the week at her doctor's appointment.*

*She had always been able to feel the metal pin in her ankle before, but as she reached down and touch her leg, she testified that she could no longer feel the pin. Her sister, who was also in attendance at the service, felt her sister's ankle herself and testified that she could no longer feel the pin. What an AWESOME God!*

## Andhra Pradesh, India....

*The boy in the black and white plaid shirt, a Muslim, had been completely deaf since he was two years old. After about 30 seconds of prayer, the Lord opened both of his ears and not only could he hear, but also understand what was being said and carry on a conversation. Hearing, understanding and speech: 3 miracles in 30 seconds! After that, he accepted Christ as Savior. Praise God!!*

*Seeking after the Lord and His Presence during the altar time.*

*Below: Part of the 6,100 salvations in Porumamilla. Overall, 31,000 people received Jesus as Savior during the entire trip.*

### Night #4

*Below, Jamie is preaching before a crowd of 20,000 with 1,500 receiving Christ as Savior.*

We had an awesome time of worship with the congregation of **Hester Community Church in Maywood, MO** in September as several people reported receiving a touch from the Lord, physically as well as emotionally. A young woman had hurt her shoulder during a canoe trip causing severe shoulder pain. After the prayer for healing was prayed over the congregation, she was able to move her arm and shoulder freely with no pain. One individual had suffered from 15 years of neck pain, but testified to all pain being relieved after the healing prayer. We also had a woman, suffering from a medical condition where her muscles would ball up causing muscle tension and pain, testify to the Lord touching her body and releasing all pain. Amen! Other testimonies included: the release of pain in hands; arthritis pain and numbness released; headache pain gone and also a couple of people testified to receiving emotional healing. God is concerned about our every need.
